Cochise County 4-H Record Books

Record books can be found on the Cochise County 4-H website. A key component of the 4-H and FFA educational experience is learning how to keep and maintain records of your project(s) and activities. It is also one of the requirements for entering an exhibit at the County Fair. Not to mention, it is a great tool to use throughout your educational experience! Record books for many species are due by Friday, October 18th.
