Announcements

New Projects: Quick Payroll Card Transfer Launching December 14

A cost transfer process was updated when we moved from our existing financial system to our new financial system in December 2019. The new financial system is called Financials Online (FOP). The new Quick Payroll Card Transfer functionality will allow users to transfer Quick Payroll cards from Project to Project or to a non-project. Each Global Project Team has its own sandbox to test this feature before going live. The following training resources are available for you to learn more about this feature:

- **Quick Payroll Card Transfer Overview:** on overview of the feature and how to use it.
- **Quick Payroll Card Transfer Training:** in-person training classes.
- **Quick Payroll Card Transfer Support Document:**

Check-Off for New “House” Tracking Form

If you are a department user and want to know what you need to know, and know how you need to know it, the tool to do that is Financials Online (FOP). For more information about the tool, please contact us for more information.

Upcoming Webinars: Oracle Planning and Budgeting in the Cloud

Oracle is hosting the upcoming overview of Oracle Planning and Budgeting in January 2021. This new tool will replace the existing Oracle Planning and Budgeting solution. To learn more about this new tool, please attend the following training sessions:

- **Oracle Planning and Budgeting in the Cloud:** on January 12 from 10 am to 12 pm.

UCPath System Outage
