New Program Quick PPM Cost Transfers Launching December 14

A cost (expense) transfer occurs when expenses are moved from one cost center to another. UCPath will be unavailable from Monday, December 14 at 10 am until Tuesday, December 15 at 10 am. This is a result of intensive Oracle and Concur access de-provisioning in order to transform access of people in the UCPath system. UCPath system will be unavailable on Monday, December 14 at 10 am until Tuesday, December 15 at 10 am. Session availability will be available as normal: 855-982-7284 (Mon - Fri: 8 am - 5 pm).

Project Balances with Expenditure Details Dashboard

This dashboard will be especially helpful for department users. For report information on Tuesdays at 9:30am to have your questions about the dashboard answered.

University Cost Transfer Training

Register for upcoming University Cost Transfer training sessions to get a further understanding of cost center roles and transfers. Topic: Understanding the process: how to initiate & approve cost transfers, view cost transfers in OFC, and more! Attend a training class on Tuesdays at 9:30am to have your questions answered.

Oracle Planning and Budgeting Go-Live

The Financial Information System project team is excited to announce the upcoming release of Oracle Planning and Budgeting in January 2021 (and new roles within the system). This will allow us to implement a more robust budgeting system with a more intuitive user interface, providing a more efficient way of managing a thoughtful design and offering a more user-friendly budgeting experience.
