Celebrating the 100th Edition of the Budget & Finance Weekly Digest

It has been our pleasure to deliver timely information that matters to YOU, our campus community, for 100 weeks.

Thank you to all who have contributed! We could not have reached this milestone without the collective efforts of our contributors from across the Business & Financial Services (BFS) divisions and our campus partners.

We also want to thank Bea Florentino, who was the primary curator and publisher of the weekly digest. Thank you, Bea, for ensuring the digest was delivered on time every week. We appreciate all that you have done for BFS and the campus community. We wish you the best of luck in your future endeavors!

Balboa Service Fee Update

Balboa’s new fee structure is live! All fees, regardless of type of purchase, will show up in Concur as an Airfare Expense Type. Fees are valid for purchasing airfare, hotel or rental cars either in Concur or with Balboa directly. This can be misleading since it looks like an Airfare purchase when it was actually for a hotel or rental car booking. We are looking for ways to improve the display to make it easier for all users.
