☐☐WE'RE BETTER TOGETHER♥☐

We featured two new community outreach projects last month, and TSL volunteers are knocking it out of the park! In less than one month, we had over 30 volunteers donate their time to sewing canvas bags and fleece hats and scarves for the homeless.

As of February 11th, The Sewing Labs has given over 350 canvas bags and fleece hats and scarves to Volunteer KC, and Volunteer KC is getting those goods to the people who need it the most during this chilly winter.
