## A word from Bobcat Chair Jim Guerra

**Bobcat Board Positions**

Michael Rees has recently resigned from the Bobcats Board. He was the trip leader manager for the Bobcats. So we have three Bobcats Board vacancies we need to fill. Each of these Bobcats Board positions have 3 year terms. All of the board members are asked to be engaged in all of the discussions at the Bobcats Board meetings. The vacant positions that need to be filled are:

**Trip Leader Manager.** Newly vacant. According to the Bobcats bylaws: The Trip Leader Manager shall be responsible for communicating best practices, Section policies, and related matters with Section leaders, plus perform such other activities as may be appropriate to the office. The Trip Leader Manager shall be an experienced Bobcats trip leader.

**Secretary.** Will be open when the current secretary's term ends 12/31/2024. According to the Bobcats bylaws: It shall be the Secretary's duties to keep a record of all proceedings and provide minutes to the Board and others, to attest documents, and to perform such other duties as are usual or as may be assigned to the office. Should the Secretary be unable to attend any meeting, the Chair thereof shall designate another attending member to record the proceedings. The Secretary shall ensure all minutes, amended bylaws, and annual statistical reports are uploaded to the Bobcats Section's Denver Group webpage.

**Social coordinator.** Has been vacant for at least 2 years. According to the Bobcats bylaws: The Social Coordinator shall be in charge of organizing any Section social activities, such as picnics, trip leader gatherings, and similar activities, plus perform such other duties as may be appropriate to the office.

Anyone interested in any of the vacant Bobcats board positions should contact me at cmcbobcats@gmail.com.

Happy Trails,

Jim Guerra

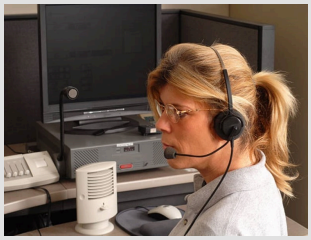

Bobcats Section Chair

## Evergreen SAR and 911 Presentation

When: December 19, Thursday, 7:00pm – 9:00pm (arrival at 6:45pm)

Where: Alpine Recue Team headquarters: 28802 Rainbow Hill Rd, Evergreen CO

RSVP: Evergreen Alpine SAR and 911 Presentation — The Colorado Mountain Club (cmc.org)

Have you ever wondered what happens on the search and rescue side when there is a backcountry incident? How do they know where to go? What should they bring? Is it always a mystery so they bring everything? How do they take care of themselves, so we don't start out with one injury and end up with more? How dangerous is dangerous for them? What is their level of commitment to your situation? How do they determine the sense of urgency? What can you do to make them more effective? How can you better support SAR to ensure they are there when you need them?

Have you ever wondered what happens within the 911 team when they get a call from you? How do they handle a garbled, incomplete, or dropped call? How do they work with you to better understand your situation? What is their process to engage SAR? What is the intermediary role of the local county sheriff?

Get the answers…

Our well-respected Alpine Rescue Team and the wonderful Jeffco 911 folks would like to host a get together with the CMC to present, discuss, and answer these questions. If this interests you please use the above link to sign-up as attendee participation will be limited.
