Dear Science Students:

Fall semester finishing strong!

Clemson scientists measure all of the starlight ever produced by the observable universe
Musical theater production inspires marine conservation awareness for Upstate locals
As today’s student leaders, Clemson’s ODK members are forging the future

Go Tigers!
Like you, I will be wearing orange on the 29th and hopefully on Jan. 7th!

Fall semester finishing strong!

Upstate Clemson Upstream (Upstream) is reshaping instruction for its students in hopes of applying the active-learning model to its own SCALE-UP classroom in Cooper Library on Friday, Dec. 7. The team traveled more than 800 miles to see firsthand how Clemson Teachers and administrators from Rockford, Michigan, toured Clemson’s SCALE-UP classroom in the UP classroom that is currently under construction in Rockford.
