To learn more about the Venture Design Challenge, visit our website: lakeforest.edu/venturedesign

Armed with a deep understanding of their personal driving purpose will keep our students rate, building a successful team, acquiring and cultivating customers, and asking for help. selling yourself and your idea, finding and securing financing, managing costs and burn setbacks. Starting a new venture is fraught with myriad challenges, including but limited to, We also weave resilience into the Venture Design Challenge by asking all teams to address this information to make myself stronger and wiser?

We help our students make the connection that achieving success means trying more and other people, but rather because they DO MORE and TRY MORE than other people. They Darwin or Elon Musk, fail A LOT - they just don't let failure stop or sideline them. The belief that creative geniuses rarely fail. The reality is creative geniuses, like Mozart or

In a twenty-two-year study of nearly three million startups, the researchers found that failure and innovation are positively correlated.

Feeding America. If you have any ideas for future guest speakers, please

Meet our Venture Design Challenge Team:
