## What You Need to Know

## FYE Cutoff for Departmental Journal Entries

For this year's fiscal close, the cutoff for departmental journal entries was on July 15. Starting July 16, departments **must submit their journal entries through their Vice Chancellor (VC) office for entry into OFC.**

VC offices have identified the individuals who are authorized to submit journal entries from July 16 through the end of the day on July 22. Here is a [link to the list of authorized FY22 VC Office Users for each VC area](#).

Please note that central offices (such as Internal Controls & Accounting, Sponsored Projects Finance, Foundation, and Health) will **reject** all journal entries that are submitted by unauthorized users from **July 16 – July 22**. Internal Controls & Accounting will be monitoring approved journal entries to ensure VC offices are submitting journal entries for approval and posting.

Guidance regarding the use of the year-end special prefix has been published in this Knowledge Base Article: [How to Process a Journal Entry](#). Please note the following guidance:

- For VC Offices
  - For year-end reversal journal entries, prefix the entire name with **YE##** (## being the last two digits of the year) + **VC Abbreviation** + **Sub Department Abbreviation** (if applicable) + **Preparer Initials** + **Journal number**
- For Central Offices
  - For year-end reversal journal entries, prefix the entire name with **YE##** (## being the last two digits of the year) + **CO Abbreviation** + **Preparer Initials** + **Journal number**
- Health System Medical Center/Physician Group/Population Health Service Organization business units are to follow Medical Center Journal naming structure, which is a different structure compared to campus.
