**FYE Cutoff for Departmental Journal Entries**

For this year’s fiscal close, the cutoff for departmental journal entries was on July 15. Starting July 16, departments must submit their journal entries through their Vice Chancellor (VC) office for entry into OFC.

VC offices have identified the individuals who are authorized to submit journal entries from July 16 through the end of the day on July 22. Here is a link to the list of authorized FY22 VC Office Users for each VC area.

Please note that central offices (such as Internal Controls & Accounting, Sponsored Projects Finance, Foundation, and Health) will reject all journal entries that are submitted by unauthroized users from July 16 — July 22. Internal Controls & Accounting will be monitoring approved journal entries to ensure VC offices are submitting journal entries for approval and posting.

Guidance regarding the use of the year-end special prefix has been published in this Knowledge Base Article: [How to Process a Journal Entry](#).

For **VC Offices**
- For year-end reversal journal entries, prefix the entire name with `YE##` (## being the last two digits of the year) + VC Abbreviation + Preparer Initials + Journal number
