A Look at ANP Lighting's Favorite Brewery Projects!

Today, April 7th, is National Beer Day. We couldn't think of a better day to share with you a couple of our favorite brewery projects that we had the pleasure being a part of.

See the giveaway at the bottom of this eNews and enter to win a $50 gift card to the brewery of your choice!

Iron Goat Brewery

Located in Spokane WA, Iron Goat Brewery is an award-winning taproom where locals go to enjoy an inviting atmosphere with great beer and quality food.

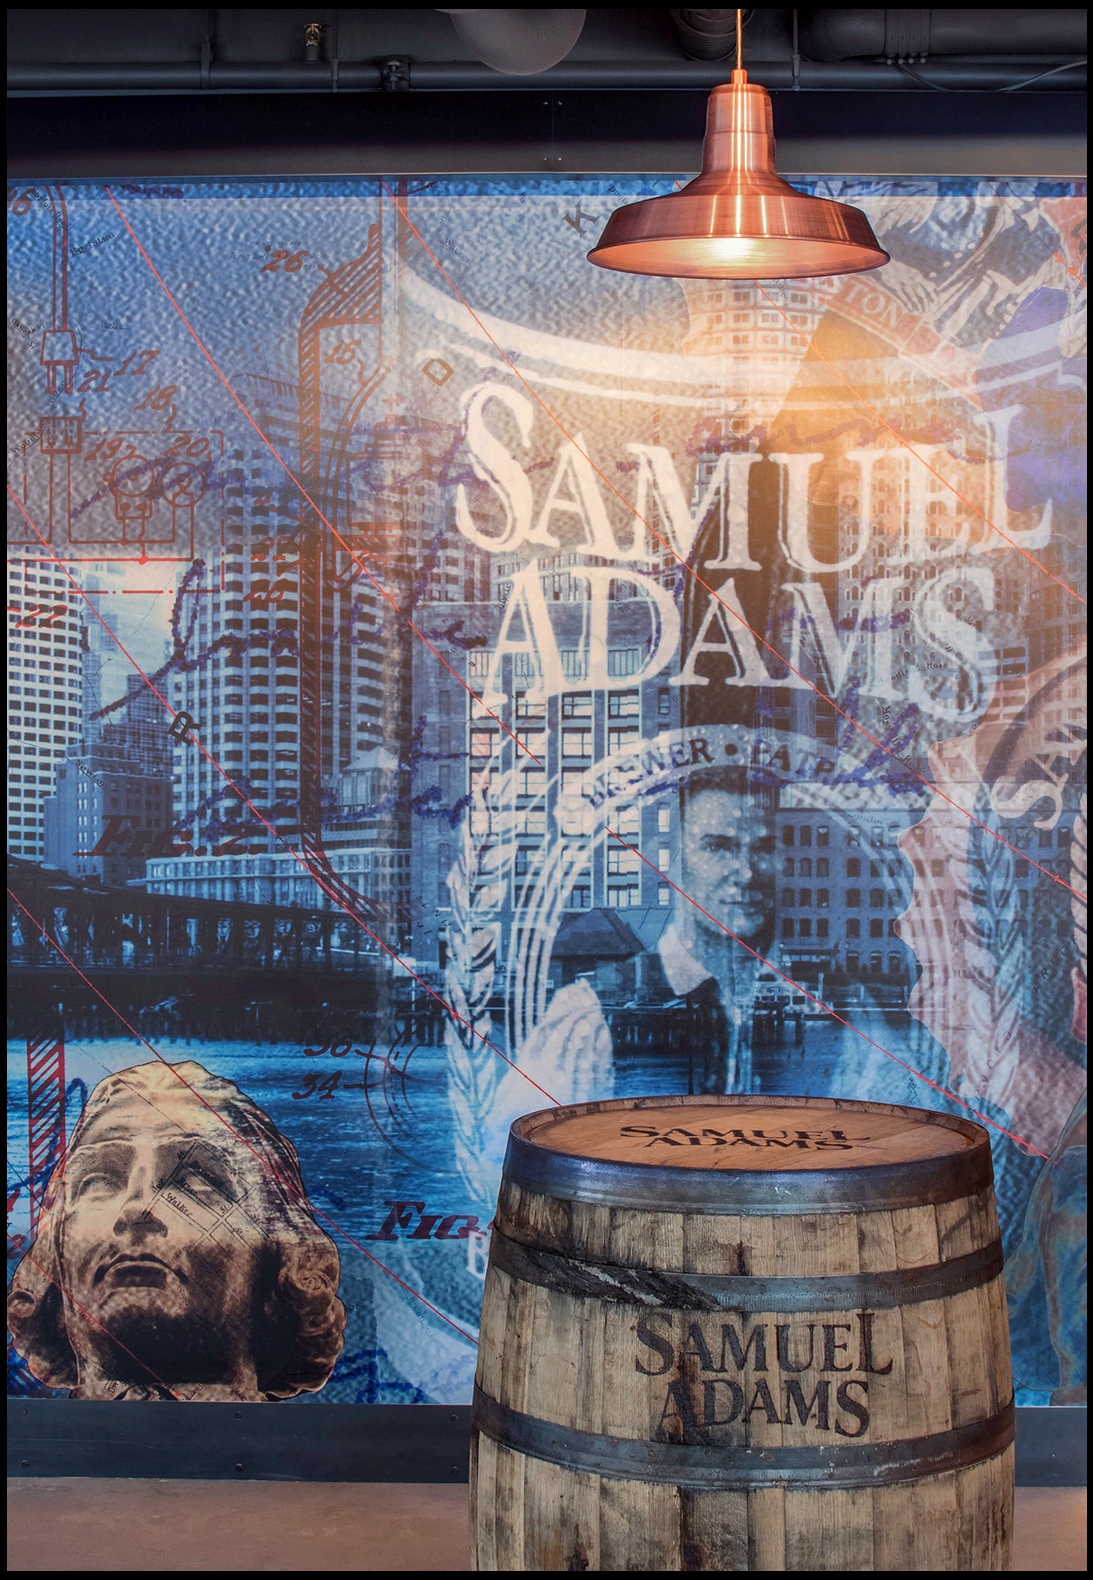

ANP's wall mounted W518 Warehouse Shade provides lighting throughout the space, illuminating seating areas and wall menus.

Outside the brewery, you will find ANP's wall mounted WD520 Warehouse Deep Shade illuminating Iron Goat's main entrance, as well as the sidewalk for pedestrians.

Samuel Adams Brew Pub

The Samuel Adams Brew Pub at Faneuil Hall is located adjacent to the Samuel Adams statue in Boston, MA. HLB Lighting Design chose ANP Lighting's RLM shades to provide ambient lighting to the large 3-level space.

A single W514 Warehouse Shade illuminates the wall and wooden keg, welcoming guests to the taproom.

A BETTER
GLASS OF BEER

ANP's D616 Deep Bowl shades, located on the main floor, are crafted with raw copper to complement the copper color of the house specialty.
