April 29 - May 1, 2019

ConnectID

The Kantara Initiative is excited to be a media partner for KNOW 2019 Las Vegas, Nevada.

Don't miss Kantara Director ISOC's Robin Wilton headline the Thursday Luncheon, "More than the sum of the parts: the reality behind the story of the European Trust Model!"

Join over 800 thought leaders, leading vendors, analysts, visionaries, and subject matter experts at the premier event to learn from industry experts, contribute to the development of standards and emerging technologies utilized by government and large enterprises.

Kantara Initiative is a global, neutral, multistakeholder organization whose mission is to promote interoperable digital identity, privacy, and access management solutions through the development and evolution of open standards, and training and education.

This is the premier event where research and education federations convene here to discuss key insights and trends across digital identity, the newest techniques to ensure successful authentication and certification.
