To turn off Google Chrome's Autofill feature:

After clicking into the form field, the autofill will clear after you start typing in the entry, but these selections do not transfer to Concur. Google Chrome's Autofill feature might interfere with entering your chart string (research equipment). You can read more about the taxability of different taxonomies here.

Tips & Tricks

Visit the browse through instructor-led Concur courses. Please note that you can also search “Concur” in the UC Learning Center to find additional courses.

UCSC Travel: Reporting Expenses

For instructions read KB0033376: Restructuring your PPM General Projects

Restructuring your PPM General Projects

You can now use the Mass Update feature to apply changes to your projects across all areas.
