For more information on Concur Alerts, refer to the trail as a Previous Comment.

There are two types of alerts in Concur:
- Red vs. Yellow Icon Alerts in Concur
- Services & Support Tickets

To view the full calendar of events, look for the Event Calendar in the upper right corner! There will be Instructor-Led Training sessions, and Hot Topics. Be sure to try out the different calendar views in the upper right corner!

In the Integrated Procure-to-Pay Solutions (IPPS) Office Hours schedule, effective November 1:
- IPPS Office Hours: Monday and Wednesday Office Hours start times will remain the same, but we have extended Office Hours until the winter closure on Friday, November 19.
- Hot Topics: End of Year Preparations
  - Register for the Oracle Redwood UI Information Session to get a firsthand glimpse into the new Oracle theme, set to launch January 2022! To prepare for the launch of the new Oracle Redwood theme, you can view the upcoming Oracle Redwood UI changes in the Oracle Test Non-Production Environment.
  - We are currently updating existing Knowledge Base Articles, KBAs, to release the updates lead to a significantly improved user experience.
  - The key benefits of this reconfiguration include, but are not limited to:
    - Dark, global header
    - No impact to any integrations or external systems
    - No changes to your ability to perform tasks or functions within OFC
    - No changes to the underlying database
    - No changes to the tax engine, tax codes, or tax rules
    - No performance impact to the system
    - Dark theme to our campus.
    - Full support for Oracle Redwood UI training materials will be available.
    - Downtime for Planned Update: 11/09/21 – 11/16/21

Join the IPPS Team for the next session of Hot Topics! This session will focus on how best to prepare your transactions to meet the calendar year deadlines for the Procure-to-Pay and Travel & Expense spaces. There will be a chance to participate in Q&A at the end.

Stay tuned for more information. We thank you for your continued support.

Oracle Redwood UI Blink Page
- Non-Production Environment - VPN and SSO are required.
- * You can view the upcoming Oracle Redwood UI changes in the Oracle Test Non-Production Environment
- * No impact to any integrations or external systems
- * No changes to your ability to perform tasks or functions within OFC
- * No changes to the underlying database
- * Dark theme to our campus.
- * Full support for Oracle Redwood UI training materials will be available.
- * Downtime for Planned Update: 11/09/21 – 11/16/21

The change will create more individual costs, but will help to reconcile IDC on a per cost transaction assessment per cost transaction. Future releases of Oracle may include a direct reference to the IDC (burden) cost will be assessed on an assessment per cost transaction basis.

For the Procure-to-Pay and Travel & Expense spaces, common uses, and the Concur processes for both Procurement Card requests and transaction reconciliation.

Application Open!
- The Financial Accounting Program, Winter Quarter Application Open!
- If you or your teams have created local training materials, be sure to request and transaction reconciliation.
- Additionally, we are looking to support as many course interests as possible so we will provide us a better picture of demand.
- If you are interested in starting in Spring or Summer Quarter, we encourage you to also apply. We are continuously looking to fill seats in future quarters and it will make a difference.
- If you are no longer interested in starting Winter Quarter, please use this link and would like to begin in Spring Quarter or would like to withdraw completely during Winter Quarter. If you are not interested in starting Winter Quarter applications, please use this link and would like to withdraw completely during Winter Quarter.
