Please attach supporting reports from Oracle to the case. This will assist the Services & Support Tickets.

Instructor-Led Training sessions, and Hot Topics. Be sure to try out the different calendar views in the upper right corner!

Tuesday, November 30, 2021 @ 10:00am - 11:00pm
Hot Topics: End of Year Preparations

Register for the Oracle Redwood UI Information Session to get a firsthand glimpse into the new Oracle theme, set to launch January 2022! To prepare for the Oracle Redwood theme, please view the upcoming Oracle Redwood UI changes in the Oracle Test Non-Production Environment.

We are currently updating existing Knowledge Base Articles, KBAs, to release update accordingly.

**Oracle Redwood Preparation Toolkit**

What is changing?

- **Slightly darker background**
- **Dark, global header**
- **No changes to the underlying database**
- **Overall coloring using a different color palette, layout, look and feel:**
- **2022, after the Winter Break, UC San Diego will introduce Oracle's Redwood theme as a UI change only, and does not impact sponsored projects.**
- **What is not changing?**

- **Improved alignment between planned resource commitments and how they are transacted on the GL**
- **Automatic calculations**
- **Budget & Finance, including Oracle Financials Cloud and Concur Travel & Expense.**
