Concur KBA

There are two types of alerts in Concur:

- Red icon alerts are associated with a failing alert error. Note that the error alert message will remain in the audit trail until the alert is resolved.
- Yellow icon alerts are associated with any alert error. You must change or remove the expense in order to resolve the alert error or a policy requirement; the expense cannot be submitted. You may proceed with completing and submitting the Expense Report.

Oracle Procurement Glossary

Instructor-Led Training sessions, and Hot Topics. Be sure to try out the different calendar views available through the EPBCS application.

Remember, you can see the complete IPPS Office Hours for the Procure-to-Pay and Travel & Expense spaces. There will be a chance to preview session will be recorded and uploaded to the Oracle Test Environment.
