For more information on Concur Alerts, refer to the trail as a Previous Comment.

There are two types of alerts in Concur:

- Red icon alerts: indicates that an approval is required or an error or a policy requirement; the expense cannot be submitted. You may proceed with completing and submitting the expense if the issue is resolved.
- Yellow icon alerts: indicates that a non-issue has been identified; the expense can be submitted.

For the Procure-to-Pay and Travel & Expense spaces. There will be a chance to participate in Q&A at the end.

Join the IPPS Team for the next session of Hot Topics! This session will focus on Oracle Redwood Launching January 2022. To prepare for the launch of the new Oracle Redwood theme, the University of California will provide an Oracle Redwood Preview Session held on Friday, November 19. The link to the application form is here.

Stay tuned for more information. We thank you for your continued support!
