Concur KBA
For more information on Concur Alerts, refer to the trail as a Previous Comment.

Red vs. Yellow Icon Alerts in Concur
Red Alerts are used for situations that are critical or have high impact to the business. They require immediate attention. Yellow Alerts are used for situations that are important and should be addressed within a day. If a case is escalated, please attach supporting reports from Oracle to the case. This will assist the explanation of several terms including distribution fields, PO statuses, PO request and transaction reconciliation.

Oracle Procurement Glossary Blink Page
Our goal is to deliver timely information that matters to you. This Blink page contains definitions and explanations of several terms including distribution fields, PO statuses, PO request and transaction reconciliation.

Instructor-Led Training sessions, and Hot Topics. Be sure to try out the different calendar views in the upper right corner!

Integrated Procure-to-Pay Solutions (IPPS) made some changes to its Office Hours. There will be a chance to participate in Q&A at the end.

Tuesday, November 30, 2021 @ 10:00am - 11:00pm
