Tennessee Catholic Public Policy Commission

There is strength in numbers.

January 24, 2019

We don't want to be rude, but WE DO want to be in your face…

WITH NEW legislation that will profoundly affect you, family, friends, and your neighbors.

THIS is what happens when citizens doze off. When we forget that "politics is about weaving a fabric of compassion and justice on which everyone can depend."[1]

EVERYONE suffers. Here are some REAL life examples.

TN is losing $3.8 million a day in federal health care funding.

TN historically fails to pass Legislation allowing better school choices for parents.

TN FAILED to pass a bill for protection against domestic abuse or sexual assault.

Children forcibly separated from parents at the U.S./Mexico border.

These are the type of nightmares we can expect if we doze off during politics.

"The only thing necessary for the triumph of evil is for good people to do nothing." – Edmund Burke

We have new Legislators in place. NOW would be a great time to reach out to your Representatives and find out where they stand — AND vice versa.

Go ahead, PUSH their Button!
