GIFs and WalkMe for Finding Email
An effort to ease Finding Email Transaction in UCPath, we are adopted WalkMe, which will help in identifying certain transactions that are required for processing. This will reduce subsequent cleanup efforts such as direct transfers and Cost Transfers when chartstrings are entered incorrectly. WalkMe is a Digital Adoption Platform that will support users by providing contextual help and making certain fields required on the Funding Entry page in UCPath (https://www.usc.edu/walkme).
