UCPath and WalkMe for Funding Entry!

In an effort to assist Funding Entry Transactors in UCPath, we’ve adopted WalkMe for use with the Funding Entry page. WalkMe is a Digital Adoption Platform that will support users by providing contextual help and making certain fields required on the Funding Entry page in UCPath. This will help ensure that appropriate chartstrings are being entered correctly. This will reduce subsequent clean-up efforts such as Direct Retros and Cost Transfers when chartstrings are entered incorrectly.
WalkMe is now in UCPath Production. Should you have any questions, please contact walkme@ucsd.edu.

Is Your Travel & Entertainment Card Ready for Use?

For future University business travel and events, it is important that you have your Travel & Entertainment (T&E) Card ready for use to avoid card declines and having to pay out of pocket.

For existing cardholders, please ensure that you have received and activated your T&E Card. You should also confirm that you have the correct card by verifying that the rebranded name, UC San Diego Travel & Entertainment, is displayed on the upper-left corner of your card. If you previously held a Travel Card and have not received your new T&E Card, please contact IPPS via Services & Support (*Related to: Travel & Entertainment Card) for assistance with getting a replacement card.

T&E Card applicants must submit their New Card Request via Concur. If you need the card mailed to an address different from your mail code, please follow the instructions provided in this KBA and avoid entering Personally Identifiable Information (PII) in Concur. Cardholders can also request necessary card changes via Concur.

Each Tuesday, the Weekly Digest provides important updates related to Budget & Finance, including Oracle Financials Cloud and Concur Travel & Expense. Our goal is to deliver timely information that matters to you.
