ANP Illuminates the Samuel Adams Tap Room!

The Samuel Adams Tap Room at Faneuil Hall is located adjacent to the Samuel Adams statue in Boston. HLB Lighting Design chose ANP Lighting's RLM shades to provide ambient lighting to the large 3-level space.

A single Warehouse shade illuminates the wall and wooden keg, welcoming guests to the tap room.

Deep bowl shades located on the main floor are crafted with raw copper, to complement the copper color of the house specialty.

Warehouse shades supplement the daylighting coming through the glass-walled structure.
