

## What's New

- **IDESG's assets were transitioned to Kantara by July 31st**, the last of those being the IDEF Registry V2.0 development project (look out for a link on social media), offering improved imagery and text for an overall better online experience. The (currently self-attested) IDEF scheme and Trust Mark will join Kantara's existing schemes under its IAF [here](#). IDESG's committees are reforming under the [IDEF Working Group](#) and the [Health Identity Assurance Working Group](#). Please join them and contribute your domain knowledge and expertise.
- **Director's Corner**: Feel 'the rhythm of Kantara' as you browse a round-up of last month's activities and important information from Kantara's Executive Director, Colin Wallis. Nurture, Develop, Operate - that's what we do.
  - [Read more](#)
- **Spotlight on Australia; Kantara's Summer Webinar series** starts Tuesday with Shannon Peterson walking us through the world's newest Digital Identity Trust Framework. The following week, Steve Wilson presents his innovative R&D project MDAV.
