Learning all there is to know about budget & finance can feel daunting. For instance, the Expenditure Type for In-State Travel has a specific set of rules and procedures. When searching for the correct Expenditure Type, ensure you enter the numeric code in Concur. This will help you avoid errors and ensure your transactions are properly recorded.

For recurring dry ice deliveries, consider using your Procurement Card. You may contact our Linde (formerly Praxair) representative directly to transition your purchases to Procurement. Praxair, a supplier frequently utilized for dry ice orders, has recently changed their name to Linde Gas & Equipment, Inc. This change may impact your existing agreements and contracts. It's important to check the updated terms and conditions.

There are several opportunities for further learning, including resources, and a guide to our numerous KBAs. On the Financial Operations Calendar, you can find the BI & Financial Reporting team will be hosting a support session to ask questions about navigating the dashboard or how to interpret the data shown. Please inform the faculty you work with that this support session is available for them.

An updated Faculty & Researcher Dashboard was released on March 15. Drop in anytime at this post-release, and current supply chain state of affairs. There will be post-update releases, and you can find answers here. Oracle upgraded its reporting technology. The upgrade is now complete. To best support you following this pause, the BI & Financial Reporting team will be on standby to assist you.

Please refer to Travel-In-State-(SD) for more information on this. You would need to enter the text precisely as the description from the List with the appropriate hyphens.
