2. Resources For: Toolbar
   
   In addition to the new Budget & Expense features, the Toolbar has been updated to include quick links to a variety of helpful tools and resources. This section also features Chart of Accounts (COA) management, which allows you to easily define and update COA hierarchies. Students can now quickly access relevant charts to help inform their decision-making processes.

   1. Accounting & Financial Management
   
   This section of the Campus Financials system has been designed to help students understand how to manage their financial resources effectively. Students can learn about the basics of bookkeeping and accounting principles as they relate to ledgers featuring a special emphasis on financial reporting. This section has been added to consolidate new resources related to financial management.
