Let’s get started…

The holiday season is a time of reflection. It offers a fun way to reflect on what you liked about your semester (“I liked…”) and the things you wish had happened or wish you had accomplished (“I wish…”). Once you take the time to reflect, you can apply design thinking to make positive change in your life. Why not give it a whirl during the upcoming break...

We know it is all too easy to glide from semester to semester without taking the time to reflect. As we tie a bow on fall semester and look ahead to spring, let’s use this opportunity to showcase your startup to a wider audience.

ENTP students, alumni, faculty, and friends! I hope you enjoyed the holiday plans. Today, we’re excited to share with you information about a series of opportunities to give back and make a difference in the world.

Deadline for submission is Monday, January 31, 2022.

We are looking for creative entrepreneurs and innovators who are ready to make great things happen! At Lake Forest College, our entrepreneurs and innovators identify problems worth solving and mobilize the people, resources, and networks to solve them.

At Rice University, students, faculty, and alumni are invited to apply to the annual Business Plan Competition. Open to all college students. This competition offers you the opportunity to submit your startup, receive feedback, and guidance from investors and entrepreneurs as well as multiple rounds of funding.

Deadline for submission is Thursday, January 20, 2022.

You might win 20,000 DKK!

Social entrepreneurs be sure to check out Copenhagen Business School’s Pitch Competition. This international competition is for social entrepreneurs with innovative business model ideas.

Deadline for submission: March 31, 2022.

If you’re in Denmark or wish to visit, then you can apply to work as an intern at the Corvinus University in Hungary. Apply by January 31, 2022.
