Let's get started…

Carve out a few minutes to try the design thinking exercise below. This exercise was designed to help you reflect on this semester and prepare for the next. Learning and time to reflect. As we tie a bow on fall semester and look ahead to spring, let's use this opportunity to step back and see how far we've come.

I have one more holiday treat for you of the design thinking variety. I've found that it helps me use holidays as time to think in a structured way. Let's do it together.

IN CASE YOU MISSED IT

ENTP curriculum in action

ENTP students learned to work in teams and how to design, develop, and sell a new product.

The project was named "Whole & Slime" and the team's mission was to help kids stay active and healthy.

Even if you missed the fall competition, we hope you can join us for the spring competition. You can apply to Rice University's annual Business Plan Competition. Open to all...
