Let's get started…

Carve out a few minutes to try the design thinking exercise below. This exercise was designed to reflect on this semester and prepare for the next. Learning and growth only happens through reflection.

We know it is all too easy to glide from semester to semester without taking the time to reflect. As we tie a bow on fall semester and look ahead to spring, let's use design thinking to reflect on this semester and prepare for the next. Learning and growth only happens through reflection.

We hope you enjoyed the holiday plans.

Happy holidays ENTP students, alumni, faculty, and friends! I hope you enjoyed the

Armed with this information, you can design an amazing spring semester and apply these insights next semester. What will you try? What worked for you

OUTLOOK FOR 2022: RESILIENT & HOPEFUL

2022.

What might you want to do differently next time around? What happened during the overlaps or the gaps? Where did you experience inflection points? Where do your lines converge or diverge? What was your map telling you about your experience this semester? What caused the highest highs? The lowest lows?
