Research Abroad in Summer 2019

Applications are now open. Multiple internships of up to $1,900 each are available for undergraduate students to explore different cultures and gain international research experience. Choose from 9 countries to spend the summer conducting research - Australia, Canada, China, Germany, Italy, Japan, Korea, Spain, and more. This opportunity is open to the Classes of 2018, 2019, and 2020. Participation this cycle is limited to 15 students. Participation in a research experience in another country may count toward the requirement for students to complete at least one semester of study abroad. Participation in Research Abroad in Summer 2019 will appear on your transcript allowing confirmation of participation. Attend an informational session on Wednesday, January 9 at 2:00 in Hodges 212 to learn how to apply for this opportunity. Find more information at https://ugaexplore.utk.edu.

Three Minutes to Win It Research Challenge

Showcase your research and represent the University of Tennessee to the world with our annual Three Minutes to Win It Research Challenge. Students must make a 2-3 minute video to share their research with others and for a chance to win prizes. Open to all undergraduate students. Use your creativity in filming the video - narrate, present, use graphics, and include props - anything you need to tell your research story. The deadline to enter is March 4. For more information, visit the Office of Undergraduate Research. See complete rules and guidelines here.

Undergraduate Research Travel Grants

Undergraduate research projects presented at a regional, national, or international conference. We are pleased to offer up to $600 in travel grants to help fund travel costs. Students presenting their work at conferences may apply for funds to partially defray the costs of registration and travel. The amounts available are partially dependent on the amount of funds available. Grants are paid as reimbursement to students for approved travel costs and submitted receipts. Students must be registered as full-time underclassmen, juniors, or seniors in order to apply. The application deadline is January 14, 2019. Find out more and apply today or at the Office of Undergraduate Research website.

Undergraduate Research Highlights

Submit Undergraduate Research Highlights. We want your unique research experience to be recognized for all the hard work and dedication you put into it! There are two ways to submit your research. You can submit a 2-3 minute video to the Three Minutes to Win It Research Challenge or you can submit your paper or visual art project. Highlight your research story,PowerPoint, a unique setting, or props - anything you need to tell your research story. Submissions accepted at any time.
