Perfect in every way

To enable us to better understand you and tailor communications to your interests, we would like you to complete a Student Profile and a handwritten Thank You Note. Please check that you have received an email requesting that you complete a Student Profile and a handwritten Thank You Note. If you are one of these recipients for the 2018-19 academic year, you should have received an email with directions on what to do next.

Some of you benefit from a scholarship or fellowship established by a gift to the University. If you are a recipient of a scholarship or fellowship, you should have received an email requesting that you complete a Student Profile and a handwritten Thank You Note.

Your email and complete the Student Profile on or before Jan. 31. It is important that we build on our culture of philanthropy at Clemson, and your help in thanking our donors is critical.

Clemson researchers work with citizen-scientists to better understand diversity of rattlesnake venom

The Mojave rattlesnakes that live in the deserts of southwestern United States and central Mexico are packed with lethal venom, though they rarely strike unless provoked. Image courtesy of Travis Fisher

En route to their second national championship in three years, the Clemson Tigers became the first team in the modern era to go 15-0, annointing the 2018-2019 squad as the “greatest college football team of all time.” The Tigers crushed the vaunted Alabama Crimson Tide 44-16 on Jan. 7 in Santa Clara, California. True-freshman quarterback Trevor Lawrence led the charge, playing his ultra-talented team of coaches and players. Up next: three out of four?

College of Science joins the Clemson University family in congratulating coach Dabo Swinney and his ultra-talented team of coaches and players. Up next: three out of four?

Perfect in every way

Any route to three national championship titles in three years, the Clemson Tigers follow the footsteps of the 1981-82 University of Pittsburgh football team, which was ranked No. 1 in all 16 polls in 1981 and toppled No. 2 Alabama in the 1982 Sugar Bowl. The Tigers first attained the No. 1 ranking in early November 1981, and did not lose a game until the 1982 Sugar Bowl. The 1981-82 team is considered by some to be one of the greatest in college football history.

The College of Science is piloting a new seminar series in spring 2019 intended to equip SCIENCE undergraduate and graduate students with the professional development skills they will need to become successful scientists. "Engineering, Engagement and Professionalism" – the seminar series will run on Mondays from 5:30-6:30 p.m. in the Watt Center, room 106. Lectures are designed for students, but are also open to faculty and staff.

New lecture series promotes professional development to SCIENCE students

The College of Science is piloting a new seminar series in spring 2019 intended to equip SCIENCE undergraduate and graduate students with the professional development skills they will need to become successful scientists.
