Now part of The Trove, the Mailing Center has moved from Campus Services Complex to Price Center West, the newly renovated space is home to a treasure trove of services, including a student parcel center with contactless smart lockers for easy package retrieval. It also includes a public-facing Mailing Center that offers highly competitive, university-contracted shipping rates and serves all of the personal shipping and mailing needs of staff and faculty.

**Changes to housing.**

The Housing and Hospitality Services team has announced some changes to housing. All these changes have been made to ensure a safe living environment for our UC community. Visit our PPE Store Blink page for more information.

**Travel**

Travel is an important part of the University of California system. The University of California has partnered with Supplier.IO to offer access to their tool, Explorer Professional. This online tool provides access to the largest and most complete small businesses database that supports RFx events which include sustainable criteria, the Oracle Procurement and community for all staff.
